

Expense Report Submission Process

Submit expense reports for business-related expenses using our online system:

Accessing the System: 1. Go to expenses.company.com 2. Log in with company credentials 3. Click 'New Expense Report'

Eligible Expenses: - Business travel (flights, hotels, meals) - Client entertainment - Office supplies - Professional development - Mileage for business use - Conference and training fees

Required Documentation: - Original receipts (digital photos acceptable) - Business purpose description - Date and location of expense - Attendees for meals/entertainment - Mileage logs with start/end locations

Submission Process: 1. Create new expense report 2. Add expense line items with details 3. Upload receipt images 4. Assign to appropriate cost center/project 5. Add business justification 6. Submit for manager approval

Approval Workflow: 1. Manager review and approval 2. Finance department verification 3. Payment processing (5-7 business days)

Important Guidelines: - Submit within 30 days of expense - Alcohol requires special approval - Personal expenses are not reimbursable - Keep copies of all documentation - Maximum meal amounts vary by location

Reimbursement is via direct deposit to your registered bank account. Check status online or contact Finance at ext. 4000.
