

Remote Work Policy and Guidelines

Guidelines for employees working remotely or in hybrid arrangements:

Eligibility: - Full-time employees after 90-day probation - Manager approval required - Role must be suitable for remote work - Demonstrated ability to work independently

Work Arrangements: - Fully remote: 5 days per week from home - Hybrid: 2-3 days remote, remainder in office - Flexible: Varies based on business needs - Temporary remote: Short-term arrangements

Equipment and Technology: - Company laptop and necessary peripherals - VPN access for secure connections - Video conferencing software - Cloud-based collaboration tools - Ergonomic home office setup (reimbursable)

Home Office Requirements: - Dedicated workspace - Reliable high-speed internet - Quiet environment for calls - Proper lighting for video calls - Secure storage for company materials

Communication Expectations: - Available during core hours (9 AM - 3 PM) - Respond to messages within 4 hours - Participate in video calls with camera on - Use status indicators in messaging apps - Regular check-ins with manager

Performance Standards: - Same productivity expectations as office work - Clear goal setting and regular reviews - Time tracking may be required - Deliverable-based performance metrics

Security Requirements: - Use only company-approved devices - Secure home WiFi network - Lock screen when away - No public WiFi for sensitive work - Report security incidents immediately

Expense Reimbursement: - Internet costs (up to \$50/month) - Office furniture (up to \$500 one-time) - Office supplies as needed - Submit receipts through expense system

This policy is subject to change based on business needs and may be revoked with 30 days notice.
